

## INTRODUCING PRIVATE AIRCRAFT SERVICE DIRECT FROM CALGARY AND OTHER WESTERN CANADIAN CITIES TO OUR LODGE

We were listening!! Our guests told us they wanted to:

- Reduce travel time to shorten time away from home and the office
- Spend more time fishing and less time in airports
- Bring home more fish without extra baggage charges

Starting in 2010, Naden Lodge will be offering direct flights from Calgary, Alberta to Naden Lodge on our private aircraft. We can also accommodate direct flights from any major center in western Canada capable of handling our airplane including places like Edmonton, Red Deer, Kelowna, Kamloops, Fort McMurray, Grande Prairie, Prince George, Fort St. John, Lethbridge, and Lloydminster.

With our direct flight option we eliminate a day lost traveling to Vancouver prior to the start of your trip, and we eliminate the time and frustration of connecting flights in Vancouver on your way home. Our schedule is designed to maximize your fishing time on the first day of your trip and to get you home fast on the last day of your trip.
